ENAGIC USA INC. RETURN POLICY (CONTINUED FROM PAGE 1)

Cautionary Notes for the SD501-U

The customer is solely responsible for installation. Company does not provide any installations. We strongly recommend hiring a carpenter and/or plumber to install your machine. Drilling a hole in the countertop for the faucet and another hole in the wall for the control panel is required. Company is not responsible for any installation or drilling repairs even if the product is returned. Company does not accept any machine changes after the SD 501-U has been installed.

I have read and fully understand all of the stipulations on pages 1 and 2 of this return policy.
